

## Chairman's Interaction

Giving credit where credit is due is a very magnanimous act. And this been done in the most beautiful form by Chairman Shri K V Vishnu Raju. He interacted with academic toppers and the Class representatives of all the colleges in the campus on 19 November 2011. The interaction was a blend of formal and informal atmosphere held in the sylvan surroundings of our Knowledge Centre at Chinchinada.

The Chairman interacted with the students on a personal level asking them their goals and ambitions. He offered suggestions which open up new avenues for them to probe. In his usual inimical style he motivated the students explaining the latest technologies and the opportunities available to students. The students also came up with their ideas of how they would like to pursue their studies.

Dr. D. Suryanarayana, Principal VIT, also interacted on a one to one level with the students and motivated them. He answered the many queries posed by the students.

On their side the students were able to understand the vision of our Chairman. It also gave them an opportunity to realize the contribution of our Founder Chairman and the significance of meeting men with a vision.

The students had a gala time playing games and singing songs. Some enthusiasts even went for a boat ride. The verdant environment combined with delicious food was a feast to the senses. The students returned home with the gleam of happiness in their eyes.

It was a day out for all the students and it was indeed, a thoughtful gesture of our Chairman rewarding the meritorious students in such a memorable way.
